**FOR IMMEDIATE RELEASE**

## **ROYAL CONTAINERS ACQUIRES REXDALE CONTAINER CORPORATION**

**Brampton, Ontario – July 4, 2017 – Royal Containers today announced the acquisition of corrugated manufacturer, Rexdale Container Corporation, as part of a strategic move to support their continued growth in corrugated packaging.**

Established in 1971, Rexdale Containers is an experienced manufacturer of custom corrugated packaging for gift items, food products, furniture, displays and automotive parts for both small and large international corporations within the Greater Toronto Area.

“Rexdale Containers provides a hugely exciting opportunity for Royal Containers, enabling our customers to benefit from increased resources and shared knowledge” said Kim Nelson, President of Royal Containers. “As a great addition to our existing corrugated packaging operations, the move enables us to increase capacity and geographic presence in the Southern Ontario market.”

The strategic acquisition of Rexdale Container Corporation supports Royal Containers’ long-term plans for growth in new and existing markets. With over 250 staff members based in Brampton and London Ontario, Royal Containers brings a wealth of knowledge, unique capabilities and a leading reputation for service. This move also compliments the shared vision and core values that both companies were firmly built on.

**About Royal Containers** – Royal Containers is a leading independent manufacturer of corrugated packaging operating two facilities in Southern Ontario. Both locations offer customers in-house design and a full complement of online services. Royal Containers is an owner of TenCorr Packaging, a sheet feeder operation, with two corrugators located in the GTA and is a proud partner of Greenpac Mill LLC providing the benefits of full vertical integration.
