RE: Perfluoroalkylated Substances (PFAS)

Royal Containers Ltd. declares that the corrugated cartons that we manufacture to the best of our knowledge do not intentionally add or exceed the reportable threshold of 0.1% of any PFAS compounds listed under the U.S FDA.

Respectfully,

Martin Todd

Director of Quality & Safety

A handwritten signature in black ink, appearing to read 'Martin Todd', is positioned below the printed name. The signature is fluid and cursive, with a large loop at the beginning and a trailing flourish.
